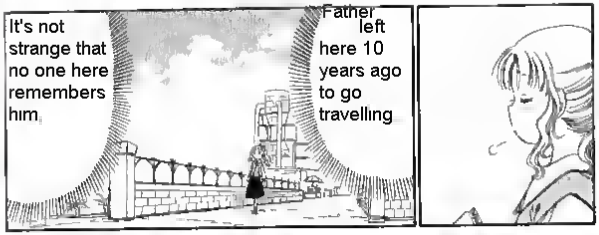
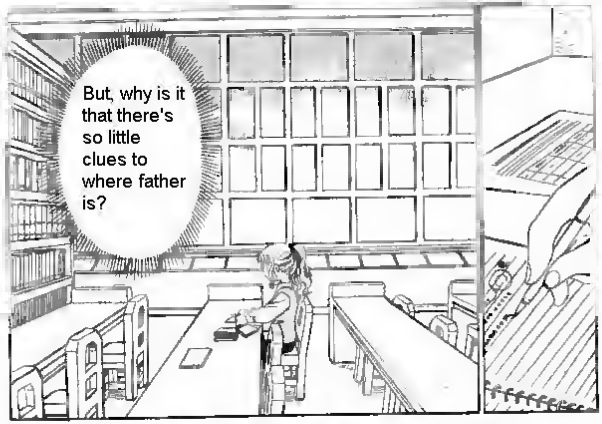
So please return early.
I'll be scolded by my husband that I didn't treat our guest well.
Madam Eni.
Thank you,
Ah, you are going out?
So I'm thinking, we can stay here for a while.
After that he said that he would reccomand a job with a good pay to me.
This... I kept wanting to ask, why is Mr Eni treating Laku so well?
Maybe he changed for the better?
That's... Right...
Hm...
This way, you can slowly prepare everything you need for your journey.
So ?

The house was full of our photos after all.
Why is it that among father's stuff there isn't even a photo of him?

Why is it that mother never thought of looking for father?

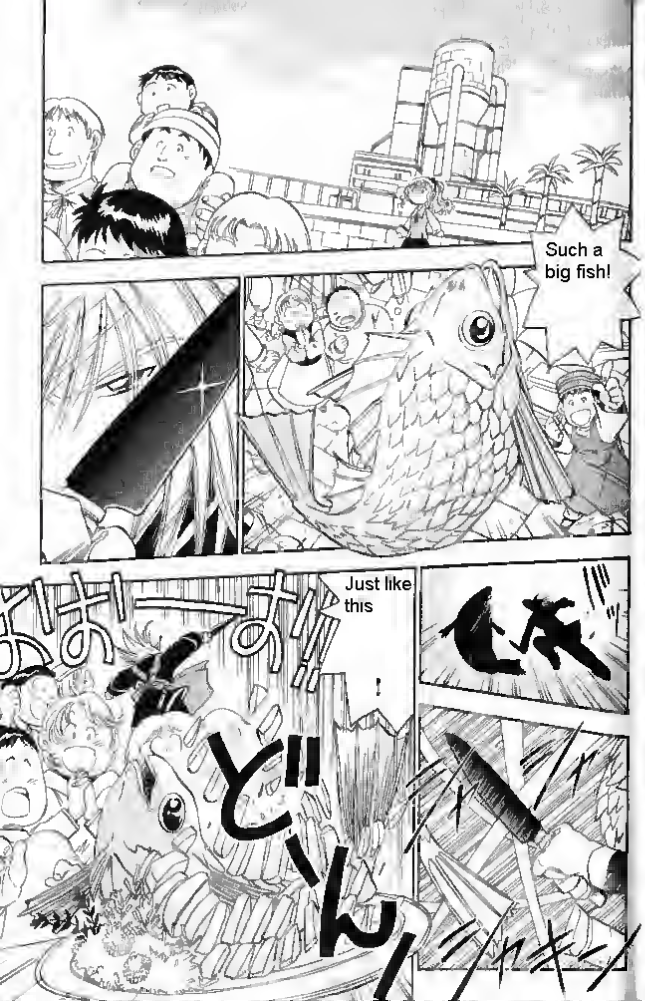


It's not strange that no one here remembers him.
Father left here 10 years ago to go travelling.



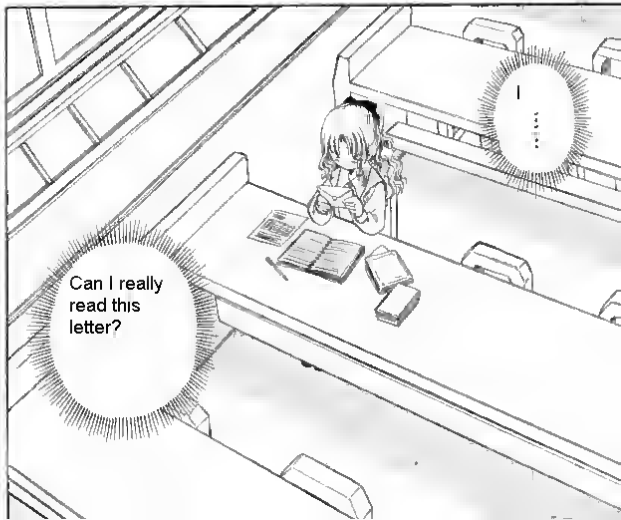
But, why is it that there's so little clues to where father is?

When I was young, I never thought of it.
But now that I think of it, it is strange.



Such a big fish!
Just like this
!
どーん!

For what reason ?
Who wrote it?
This is a letter to Miss Fadane.



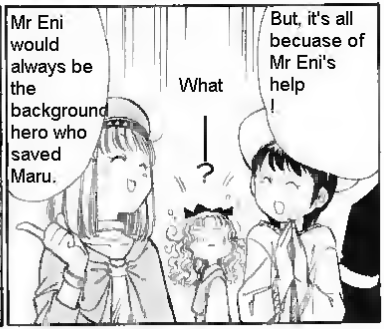
I ……
Can I really read this letter?

Anyone wants to buy?
The knife that Mr Lakute is using is a special muti purpose knife by Eni Products!

Hey
And he rescued the Maru that was swallowed by the monster, without getting even a scratch!

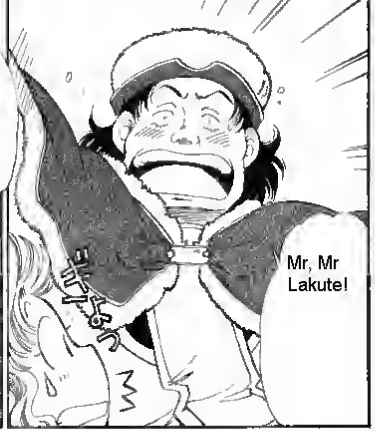
So he is the hero who defeated the monster.

Ah ah
It doesn't seem too right...



Mr Eni would always be the background hero who saved Maru.
What
?
But, it's all becuase of Mr Eni's help !

Mr Eni!
You, why are you here?



Mr, Mr Lakute!

Please, go and have a rest at my house.
You don't need to do this!

I want to earn my own travelling fees.

This? Thank you very much!
I've already prepared everything you need. You don't need to do anything.

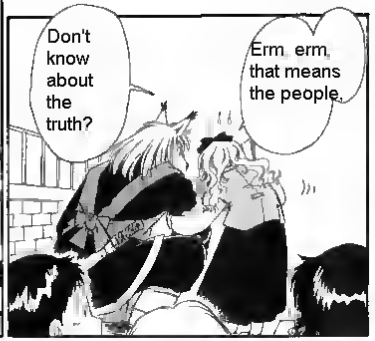
*alright?

So ?
And a very hot wife
Everyone trusts him, he has money, and a big house,
But that person has the highest authority here

He leads such a good life here,
So,

How could I destroy his "house"?
A person like me

I just know it !
Because I didn't tell anyone



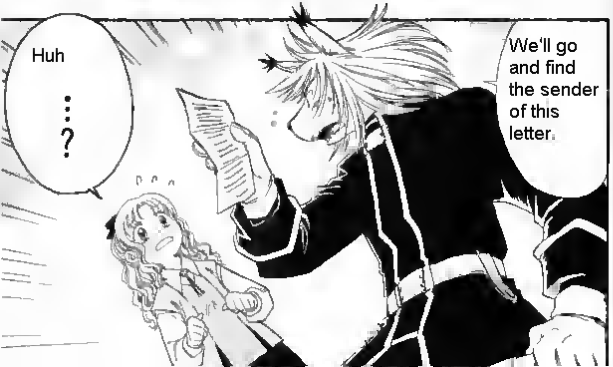
Don't know about the truth?
Erm, erm, that means the people

What's so bad about that, it ended a long time ago.
Everyone! I'll be holding a welcome party for Mr Lakute tonight!
But isn't that lying to everyone ?
What's the use of screaming here?
Why didn't you tell everyone !?
Every thing!
Those who had done bad things must be punished!
Then everyone must come!
Great!
Wa !

What? There's the address of the sender inside.
Ah!
Angelina Blanket
*From the chinese name, that's what it sounds like
She says she live in Supinas Town
Dearest Miss Fadane
I'll read it out.

Everyone listen to me!!
How could I destory my money source
A letter ?
Ah!
A letter written to your mother...
Oh.....

Go pack your stuff, Kukaru
I'll read the rest on my own.
Laku you don't need read anymore



Huh
...?
We'll go and find the sender of this letter.

Your best pal Miss Angelina has never been better!
Ah Fadane♡♡♡ How have you been!

As if! Just joking
♡♡♡
Recently, you never replied any of my letter. I'm so sad that I soak my pillow in my tears.

かいくう
Why... why is mother's friend like this...

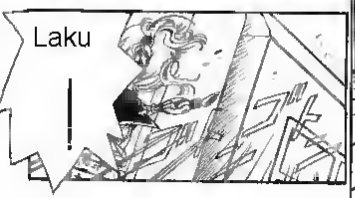
Who knows how long we'll take if we walk
Can we really ride on it?
Can we ?
Can we ?
Hey!
Thank you! Mr Enl!
Ho ho
But, but isn't trains expensive ?
You must be grateful
What's wrong?
?
What are the talking about?
I see he's at the train station.
Everyone in town is talking about this.
This pair of hateful eyes staring at me since just now.
I felt,

Get in it quick
A train !

Laku!
Laku! What's wrong?
The train is leaving?

Wait for me!!
Ah!

Laku!
ぐぉーんっ



Laku!

You are a pet!
Shut up!
Get in quick!

What a headache pets are not allowed on trains
The suspicious person is a wolf that walks on it's hind legs capture it quick!
So it's me!

I kept feeling this hateful glace
I thought you'll be left on the platform!
What are you doing!

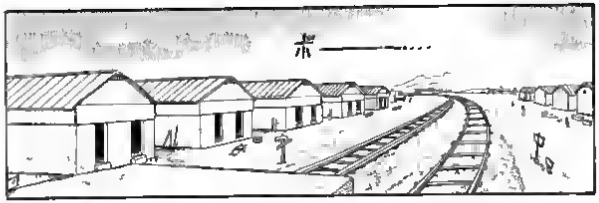
Go and think about finding your father
Don't mind me

Are you alright?

Ok, ok, no more jokes now...

You say I'm a huge luggage!?
Always dragging such a huge luggage around, I can't do anything.

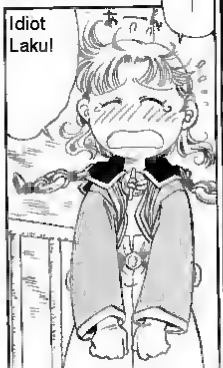
Pig head
Just that the chest area is small-



I heard that he bought a ticket to Supinas City

Where would a wolf ride a train to?
He couldn't have jumped onto the train.

Idiot



Idiot Laku!

Supinas ...

Can I ask her about father?
We're here.
Ha…
How do you do! !

I tell you, I've seen your Pasil Eletra
To travel with one's family is such a good thing
it's such a pity that I didn't see you
I'll be waiting for your reply.
We'll meet up one day and have a good chat.
How is she like?
Mother's friend, Miss Angelina.

I do know you
Hello ♡
You are Kukaru right?
And
Please tell me about father...
About Pasil!
Mr Pasil ?
I'm looking for my father!
I'm so happy! How many years have passed!
Fadane !
I, I am..
You are.. Miss Angelina?
What make up did you use?
Gosh! How did you become so young?
I read this letter..
Sorry
What! ?
Is it so..

Look! The one carrying you is Mr Pasil!
This was sent to me when you were born!

If only there is something that I can help with!
I. I say from your letter
You've been searching for the father that is missing from your memories
These 5 years...
Pasil went missing!?

Wait a minute
I want to ask about father

Ah ok
No
Sorry... I can't help you...
Nevermind please tell us about the time you met

There's a photo of Mr Pasil!
Found it!
That please tell me
Erm not that

*it can't be
*ahhhh

And, Kukaru,
You eyes are the same colour as your fathers'.
He's very hand some, cool,
and tall...
hat

So he's like this...

East from here, is the Dangru City, there's a festival around this time.
I met him there by chance.

4 to 5 years ago. Around this time.
That.....

That!
That!
How does father look like?

I'm very confident in my memories! That face of bliss, I'll never forget it!
Could that be the wrong person?

If we found the wrong person don't worry about it
That
All thanks to you
That letter gave her a new smile
Why didn't you tell me about Mr Pasıl?
Ah Fadane
Ah Kukaru
Please come and play again
Thank you very much Miss Angelina
But it's alright
I'll go and find him now!
Ah yes
It's the first time I'm here
You've never been to the Dangru Festival?
Good bye!

Chapter 7
The Flowers of Illusion behind the Mist
第7話
霧中的幻之花

What's that!

That's great……!

If I'd known
I'll never have written that letter!
Let's go!
To the Dangru City!

Why do they bloom at the same time?
Plum blossoms of winter
Jacaranda of summer
This is strange
The acacia of spring

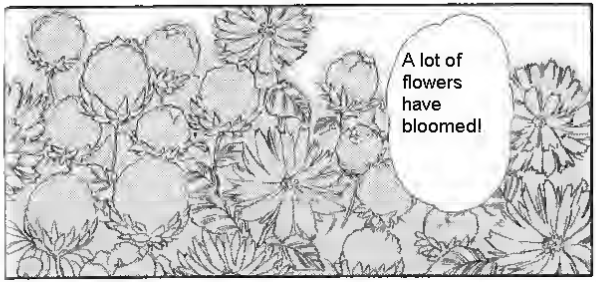
*really.

You are so unromantic
Is this a sign of the end of the world?

They are wishing for me to meet my handsome and tall father!

These flowers
They are welcoming the rare beauty that has set foot onto this land!

Thank you
Is that so, that's great!



A lot of flowers have bloomed!

This is the Dangru City!

During this festival, there's this activity, putting our feelings onto flowers, and giving them to others using flowers as a medium.
Do you know what is the language of flowers?
Ah !
Thank you
Thank you
No! Why do you keep adverting your eyes from the most obvious choice!
Over there ?
She's in front of you!
And then? Where is that beauty?
The beautiful blossoms would always catch the eyes of the people.
Wow !
What ?
Huh ?
Would you like to go with me to the festival?
Huh ?
You are really cute!
I am Hars. !
Don't you think so? Sweet little girl.
But it is difficult to notice the potential of those still in buds.

You... Whar are you here for...
Laku, we'll try our best to restore you to your normal form!
That :
For you!
Ah, but
むうううん
No, I...
Should I go?
But...
What ?
Look! A real beauty would not be treated like this!
No! I'm just joking!
Huh ?
A good day ?
Look at the Dangru hills, some parts are coated in mist?
You are here for the first time?
You can't do that! You have to wait for a good day to give your flowers.
ut to let lowers tell thers how ou feel. it's o romantic

You mean Professor Pasil?
Mr Pasil

You are a friend of that person?

You know him ?
He's my father!

So, to gift the language of flowers, we have to wait till that day!
In the romantic atmosphere, just confess to your loved one at one go!
ファイト!

There's a flower with a mysterous power called the "Flower of Illusion" Every year, it would give us a present.
Present ?

Dangru mountain is very dangerous, according to the laws we can't enter easily.

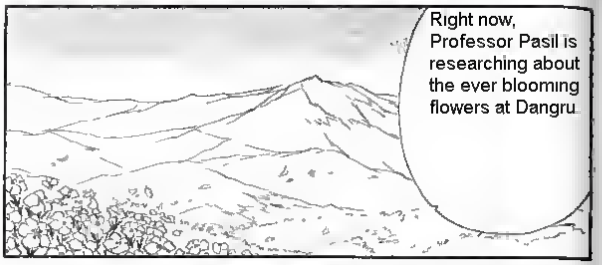
Professor Pasil is not that kind of person!
Those who approach the Flower of Illusions with evil intentions will be severly punished!
Ah!
Wait everyone!

Please, please help professor Pasil!
.....

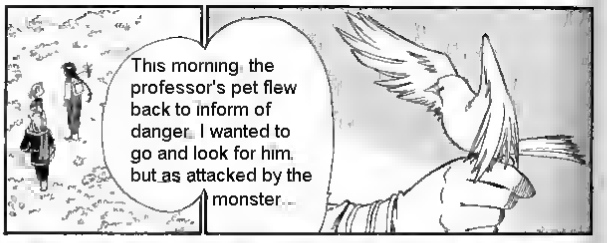
Pretending to be a university professor, he is trying to steal our treasure!
That fellow's true goal is the Flower of Illusions after all!

The guardian of the flowers attacked you, that is the best proof!
No excuses will work now!
No!
We are just researchin g about the plant here-

I'm sorry, we won't help him.



Right now, Professor Pasil is researching about the ever blooming flowers at Dangru.



This morning, the professor's pet flew back to inform of danger. I wanted to go and look for him, but as attacked by the monster...

I'm Lakute.

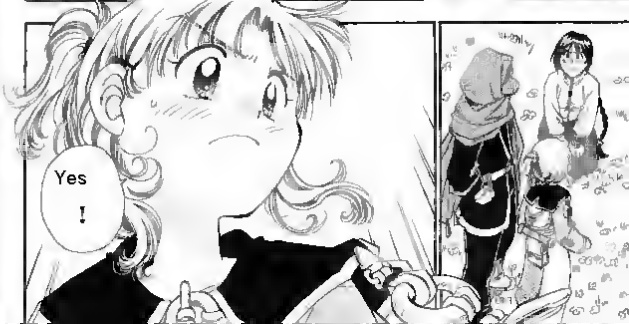
It's a pleasure to meet you, ... erm...
I'm the professor's helper, Marin.

I'm Kukaru.
Oh.

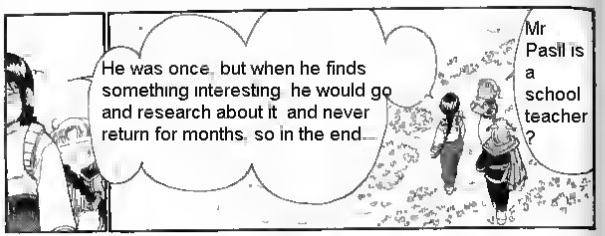
Please use your eyes to see the truth!

It's alright if you don't believe my words!

Once you see him you'll understand!

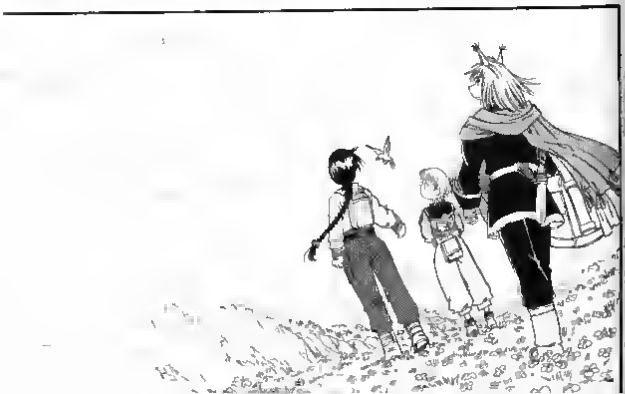


Yes!

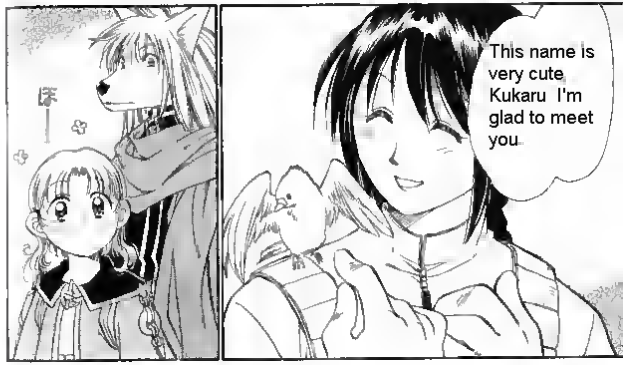


He was once, but when he finds something interesting he would go and research about it and never return for months, so in the end...
Mr Pasil is a school teacher?

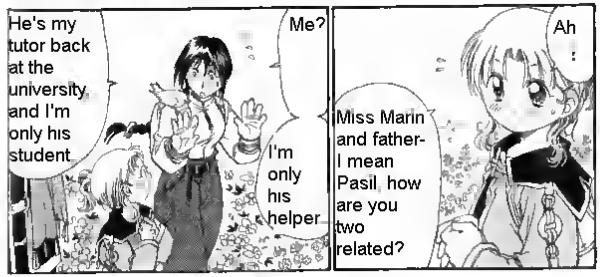
I think he is really cool.
But, not relying on himself and using his own eyes to find out the truth,



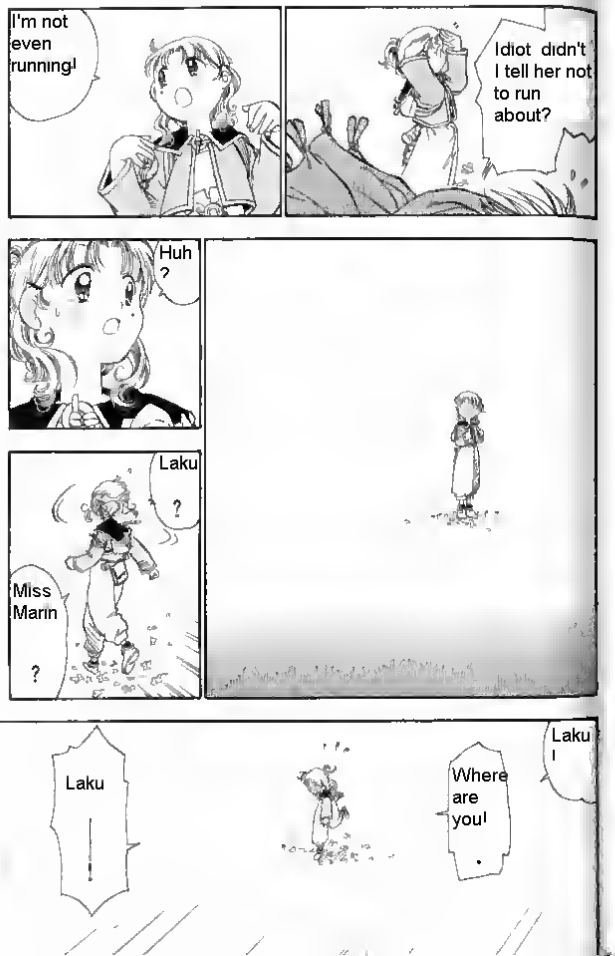
Same name as a pet
Shut up!
This child is also called Kukaru
Kukaru?



This name is very cute Kukaru I'm glad to meet you



He's my tutor back at the university and I'm only his student
Me?
I'm only his helper
Ah!
Miss Marin and father- I mean Pasil, how are you two related?



I'm not even running!
Idiot didn't I tell her not to run about?
Huh ?
Laku ?
Miss Marin ?
Laku !
Where are you!
Laku !
Don't run about, you'll get lost
A sea of white!
I know!
The mist thickened
It's true
Where could professor Pasil be?
Ah ?
Where are you going Kukaru!
Ah !
はらはら

You are afraid that porfessor Pasil is a bad person.

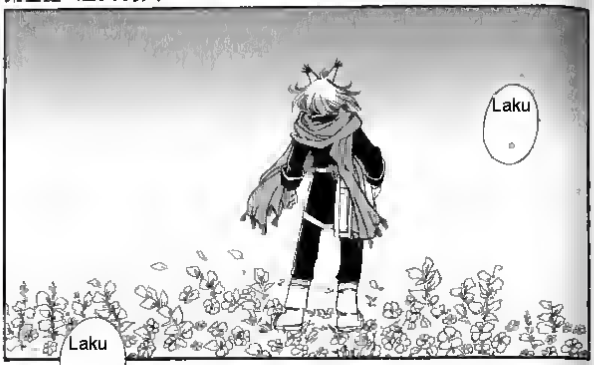
Miss Marin
?

That's right but
Or
you are afraid to know the truth?

Ah
The one whom Kukaru is loking for should be professor Pasil?
Huh?

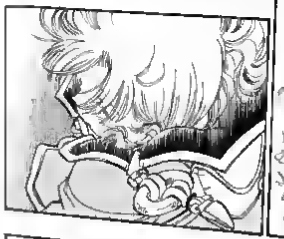
But, but,
I have to find a way to turn you back to a human...
You better go find your father quick.
It was not easy to find you!
Idiot! Laku is an idiot!
Hey ha ?
Laku !
How many times do I have to say this, you don't need to care about me.
Why are you looking for me?
Mr Pasil should be over there
When you are around, I can't do anything!

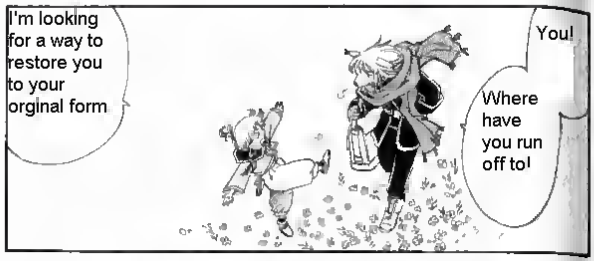


Laku

Laku

We'll start working hard on our own goals!
We'll be trying our best!

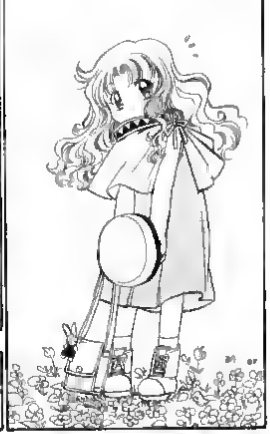




Chapter 8
Those who has lost their way

第8話 迷失的人

There's no way for you to change back?
Huh ?



Am I dreaming ?

You never changed at all, Lakute.

What's going on!

Woah

ぼてっ
Don't worry this is a carriage from my house.

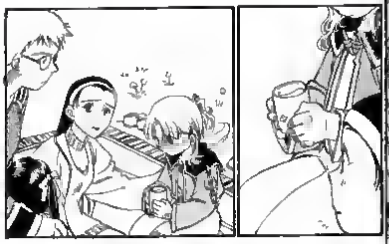
Where am I?

Huh?
Me?
You can rest here for a while. Are you feeling alright?

Because you collasped in the flower fields over there
Did anything happen there?

Then
:

Ah, yes.
I got split up with others in the mist.



When you are with me, I can't do anything at all!

It must be scary.
You lost your way?

If you continue forward,
The flower will cause you to lose your way, see dreaded illusions, to make you turn back.

The mist over Dangru mountains is actaully a message from the enraged Flower of Illusions to stop people from getting nearer.

:
Illusions
?

No, father! People are looking!
You two are so obedient!

That's right!
The Flower of Illusions makes use of people's insecurities to create nightmares, and scare people!

Is it really illusions?
Illusions

Don't stick so close to me!

I had enough! This is the last time I go with father to the festival!
No! Yusha!

Ha ha ha...
See she smiled!

You won't see anything frightening.
Don't worry, just as long as you don't go into the mist.

Do you want to come with us?

We are going towards Dangru
It's great you're so cheerful

Yup

Understand?

うわあああ…!
I know I shouldn't do this but

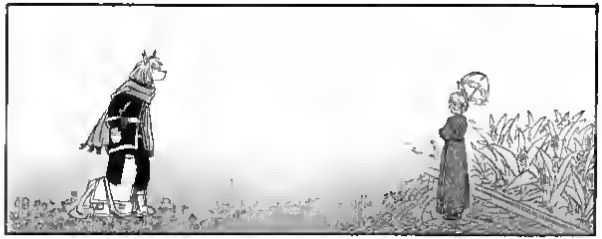
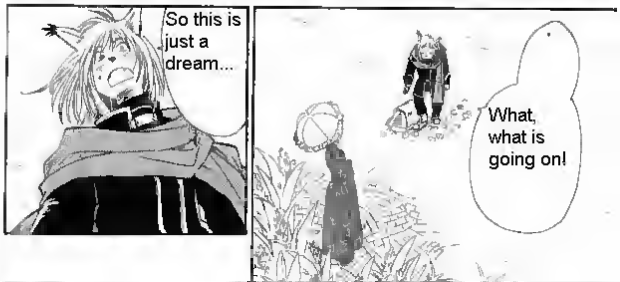
What happened! ?

Why are you still here?
You should have been dead
Because, this is too strange, right?



Miss...
Miss Lily...

Try asking yourself the same question
What?
But you never answer the question of others
You have been asking from just now.



So this is just a dream...
What, what is going on!

How can you not know
This, this... How can I know...
Because,
The answer is in your body

Why are you still in this world?

Huh……?

Why are you still alive?
You shouldn't be able to continue living.
Because this is too strange

Try and see if you can kill me!
Why are you looking for me!
You ...
This is just a dream ...

.....
It's alright your father will be fine
I'm asking you, are there any more details about him?
Huh ?
Hey hey hey !

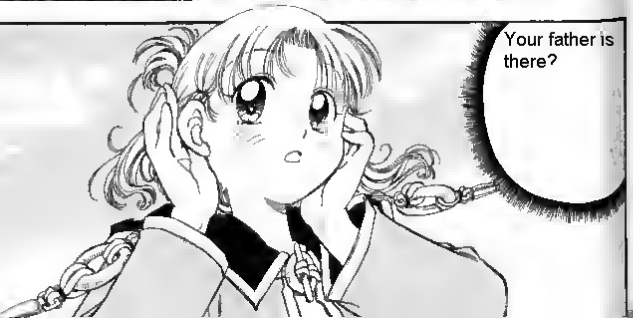
Chapter 9
Professor Pasil
第三話 帕賽教授
The mist Cleared



Your father is there?

I'll help you
Go
rescue Mr Pasil

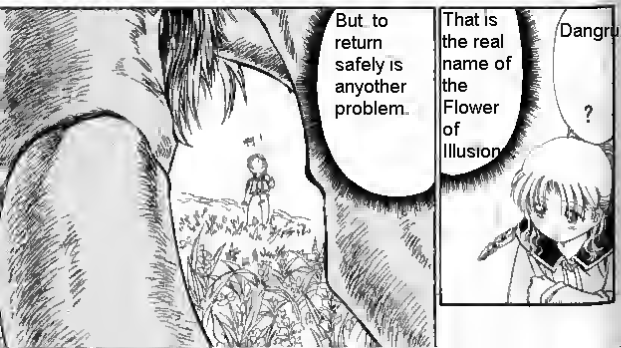
Yip !
What happened to this person?
Why did you run off in a sudden!
But Laku he. !
There's no need to care for this kind people He's no longer in danger
Just because of this man you want to throw away such a rare chance?
I. I can't not care for him!
Well that
We can do it.
Thank you! Yusha!
Bring him to the hospital!
Ah !
I'm begging you !
Please let Laku on the carriage!
Kukaru!
But :
What is the reason you are travelling?

Father is ahead?
I've cleared the mist leading to the Flower of Illusions.

You... Where are you going?
!!
I'm leaving Laku to you!

Since he is constantly researching in the area, he should be able to reach Dangru, that's why he's considered an exceptional person.
What's left is up to Mr Pasil.

I'm going to my father!
Sorry! I..



But to return safely is anyother problem.
That is the real name of the Flower of Illusion
Dangru
?

Kukaru
!
Wait a minute
!
Wait

Qira is the protector of Dangru
Calm down
He would only harm those with evil intentions towards Dangru
Ah……!

I'm looking for my father
Can you please let me pass?
No no!
Don't come over!
Wa!
Ah……!

Don't you need to stay with him?

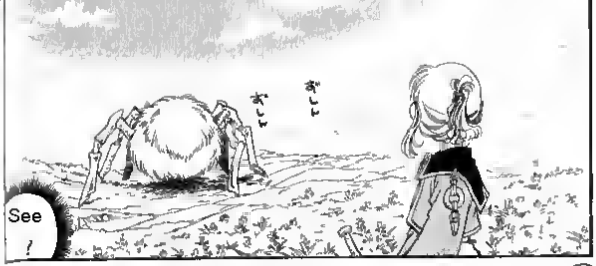
Since I can't help to save him

Don't worry I've gotten some people to help bring him to hospital

Kukaru

You are cry-
Don't cry alright ?

Alright, let's go!



See ?

And, for saving Maru and Ansbe, I don't hate you.

Because I owe you one for what Ansbe
Ah,
why are you helping me?

Miss Marin!
Kukaru
?

Maybe should I give flowers he like?
What kind of flowers should I give?

Right? Right?
What about you?

Huh ?
You've decided to give flowers to someone already?
Miss Ma rin ?

.....
I .....

How about Mr Lakute?
There's no one around me to give them to.
Laku doesn't count!

Don't worry about it! I have much food with me I'm alright
Sorry you have to share your food with me

Yes!
Dangru has a very romantic festival do you know about it?

I forgot about my back pack
Yusha would help me take care of it?

Heard that the Flower of Illusions will give a hint to when to present flowers

To let flowers tell someone how you feel?

The language of flowers?

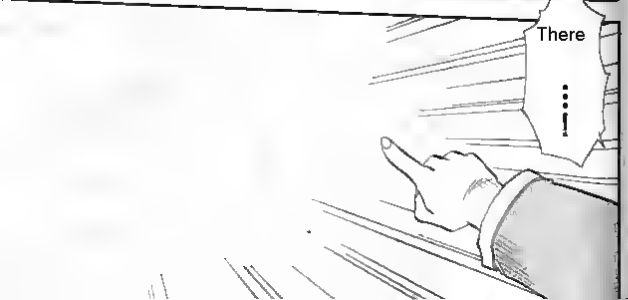
Well
Most likely
I could be wrong
Could he be Professor Pasil?
Your father !
He would recognise me as his daughter?
If I give this flower to father
If I tell him he's my father all of a sudden he should feel very troubled
Huh ?
He should be unable to recognise me since the last time he saw me I was still a baby
Ok!
I must hurry and rescue my father, and have a touching reunion!
Huh
WHAT ?
There's no such thing! How could he feel troubled!
Hm
So
The professor is married
It
So it's like this

Ah
!
Ku Kukaru
What ?
Huh ?
Wait At this moment
!!
Huh ?
That person
What happened?

Oh no! At such a near place!
Huh ?
Don't be afraid.
It won't attack us.

That child would only attack those planning to hurt the Flower of Illusions!
We don't need to do anything
When I was here, it didn't do anything to me!

Miss Marin
!

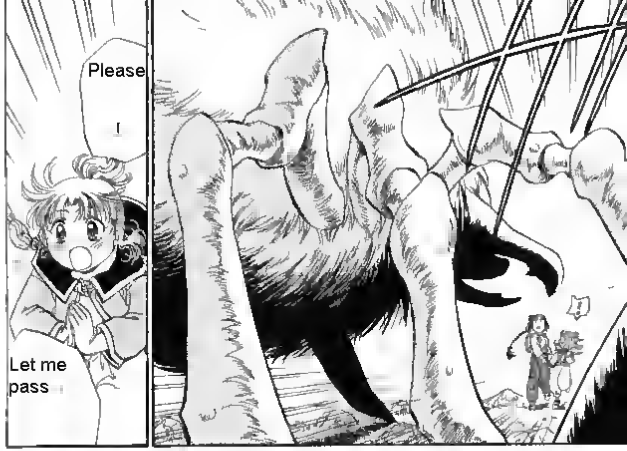


There

The mist is back?
But why?

Just the two of us won't be able to defeat it!
Huh ?
Let's go back
!

Miss Marin ?
Where are you going ?
Miss Marin !



Please !
Let me pass

But... Why?

Huh ?
I'll be leaving the professor to you.

Mr Pasil !
Mr Pasil !
Where are you ?
Is
Father ?
Where are you
Is someone calling me ?

Miss Angelina is a liar!!
啊啊——
笨蛋笨蛋!!
You came at the right time.
我太沒禮貌了!!
idiot!
I'm too rude!
Father
……
Ah, ah
*Cool, handsome, and tall guy ♡
ガラガラガラ
Oh, ok.
Come over here

You are
Professor Pasil?
I am.

But everyone is worried about you and Miss Marin...
I'm not going back
What are you saying, I'm going to see the truth with my own eyes!
Let's not talk about that, and return to the city!

Marin came?
But... But she was attacked on the way here...

You are coming along?
O, ok...
This is bad. I was attacked once when I came here to take a flower sample.
Marin's safety is a worrying issue.

At this place 1 year ago,
It's impossible to determine the location of the bud, yes?

It looks more like an inflated balloon?
Huh ?
But it is like this now, like a normal flower bud?

This should be the reason why flowers bloom readily in a land with such nutrient deficient soil.
Then once every year, this enery is spread throughout Dangru.
What, huh ?
I'm thinking in it contains the power of the earth for flowers to bloom.

This way
,
But
,

I won't be able to travel with Laku anymore!

Mr Pasil and Miss Marin have such a good relation...

Miss Marin must be really dissapointed.
If Professor Pasil is really my father,

Then my journey will end.
But
.....
If Professor Pasil is really my father.

Look
!
It's
starting
!
It's
releasing
it's energy
!

The festival has started, father!
Ah, yes.
Hope that Kukaru is alright.

This is an annual gift from the Flower of Illusions!

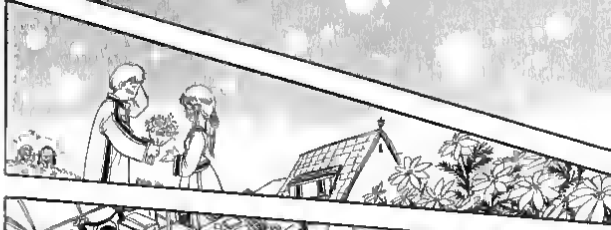
Thats right
I ... wanted the Flower of Illusions
The guardian of the Flower of Illusions
But Why ...?
Miss Marin ...?
Didn't it attack us ...?



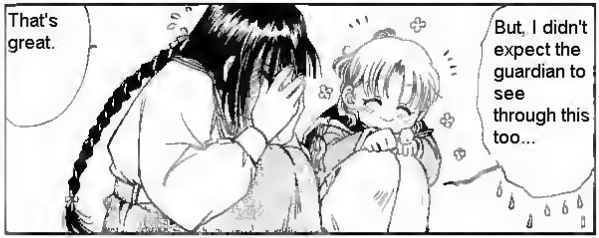
I'm sorry, because of me, you have to come on the trip.
No, if not for Miss Marin, I would have been flattened by the guardian.

Over here
Thank you for protecting me

Kukaru
He suddenly jumped off the carriage, and ran off!
We're sorry! Kukaru!
The wolfman, he...

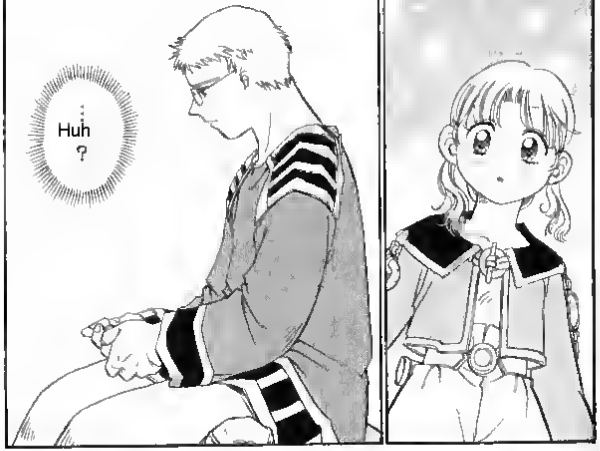
I'm going off on another journey.
Thank you very much.
Have you seen my backpack?
And, Yusha.

No matter how I think of it, it's the only flower he likes...
The flower that person likes...
The language of flowers...
Because !

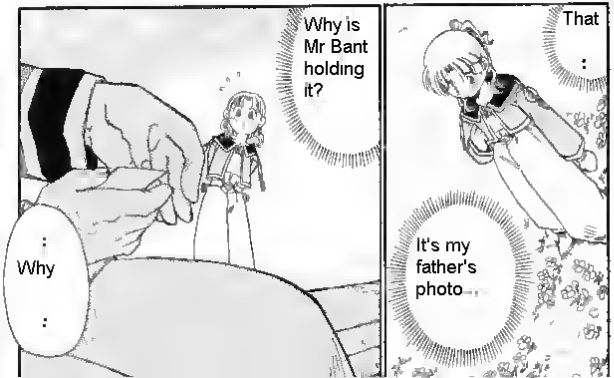


That's great.
But, I didn't expect the guardian to see through this too...

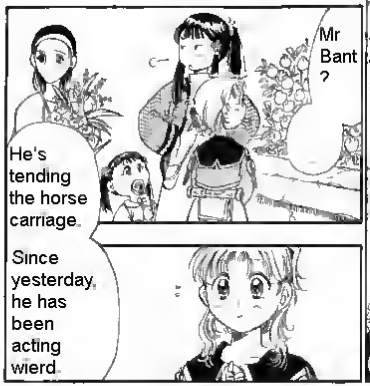
Yes
That he's the wrong person.
Huh ?



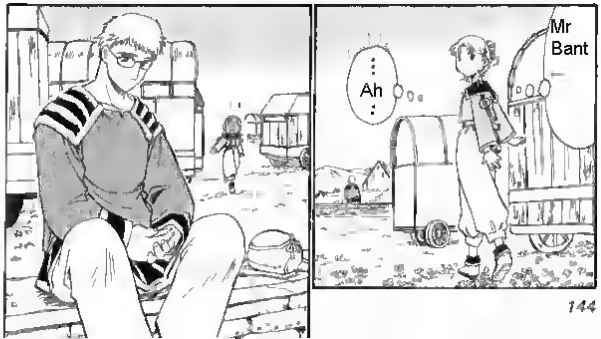
Huh ?



Why is Mr Bant holding it?
Why
That
It's my father's photo



Mr Bant ?
He's tending the horse carriage.
Since yesterday he has been acting wierd.
Father is very worried about you.
It is with father

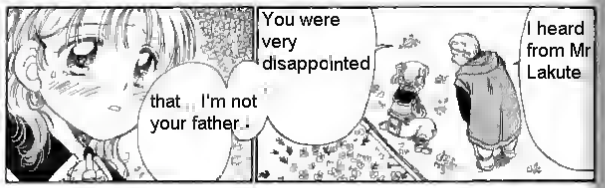


Ah
Mr Bant

Why did Mr Bant know?
Huh ?
Huh ?
Why ...
Why would he call out that name
When looking at the photograph?
Have I told him mother's name?

Why now...
Fadane

It seems so ...
Hi, it's me.



that I'm not your father.
You were very disappointed
I heard from Mr Lakute

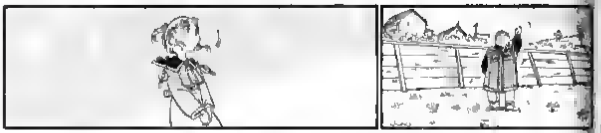
That.. Didn't you start travelling just to find your father?
If.. I find the person who could be my father.
What should I do?
Profes sor... Pasil....

That photo... Mother isn't in it!
Ku .....

Kukaru.
Unless ...
Unless ...
That person is ...

I... Want to meet father.
But I don't want to leave Laku.
But,
Father already has a new life now.
There's no place for a daughter like me to exist.
I have no reason to continue travelling with Laku.
I can't make the choice.
What should I do?
I think, you should go towards the truth.
...
And,
And, if that person is my father, my journey will end.

There is not always only 1 truth.

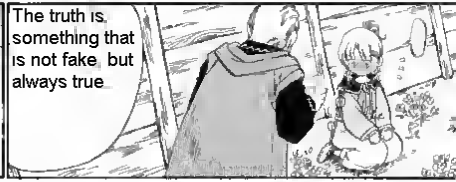


I'm ...
going to take something I've forgot about.
Laku can you wait here for me for a while?

This is on which side?

Which side is the truth?

So



The truth is something that is not fake, but always true.

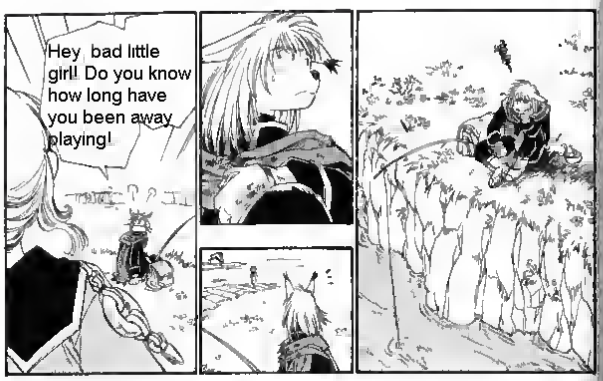
Which side to choose is up to you.

Aren't they called "truth" too?
All the feelings in your heart

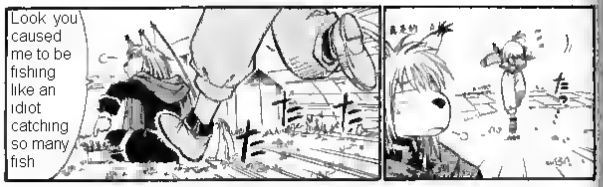
That ...
You said this name "Fadane" Just now ...
I am Kukaru
Thank you very much for yesterday
A long time ago Fadane
...was a woman of my relative...
Mr Bant !
Please tell me, how did you know of this name
Is there anything between you and her?
Then tell him about my feelings
I'll asking Mr Bant about everything he knows
Mr Bant
Just this an I'm satisfied

Now my family is
My beloved wife Belle, and my daughters Yusha and Mariel
I am no longer Pasil Eletra!
I've abandoned everything, and now I finally have true happiness!
Fa
No longer
!
But
!
Father

Please... Give me freedom!
Didn't I leave the money and house to you...!
Why now,
To this place.
How long do you have to torture me!
Isn't this enough!



Hey bad little girl! Do you know how long have you been away playing!



Look you caused me to be fishing like an idiot catching so many fish

Maybe the real Mr Pasil is there.
I say, we should go back to Dangru again?
If you have so much free time, go look for your father
I say first, the clothes I want to buy are for you
You ...
So buy a new bag for me at the next town!

All because of me...
It's all my fault.
But... I am hiding it from him?
I'm continuing on such a journey paved with lies?
Sorry sorry.

Why ?
Of course.
Ah ?
Laku, you really want me to find my father fast?

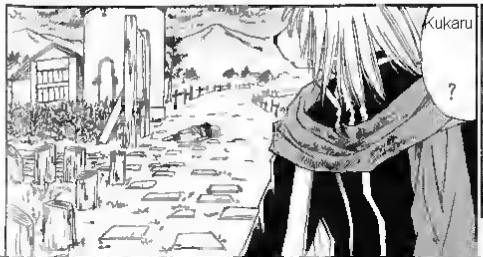
There's a small town ahead.

Ok !

Oh no, there's going to be a storm.
We better go quick, Kukaru.



Kukaru ?

Coming
Who...
I'm sorry!
AAAAAA AAAAAA AAAAHH HHH

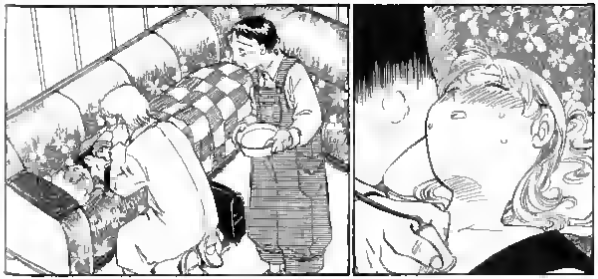
Can you please look for a doctor?
My companion is ill!

A bit later, she could have died.
Now, now.. Why only seek a doctor at such a late time.

With that face, suddenly appearing at our doorsteps, no matter who is it they'll all be frightened.

If you don't work harder, that girl won't be fortunate.
... The least you should dress up more normally
You are her guard -ian?

Go find a doctor now!
Ah



Huh ?
Father ...

That's why...
I want to find her father fast...

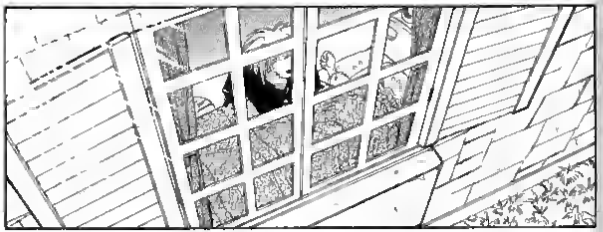
And had a fever.
You were down with flu.
I ...
Next time, don't hide such things from me
Why do you have to force yourself.
I saw him at Dangru
We talked.
He is tall, cool, and hand-some.
Huh ...?
Listen actually...
I already found my father.

Is it so……
You mustn't go yet..?
But, but,

It's great, Kukaru!
This,
This,
……Yes
Thank you for your help these days.
Laku
So……
My journey ends here.

Yes

Laku is an idiot!
Idiot
Or else, your flat chest will get even flatter.



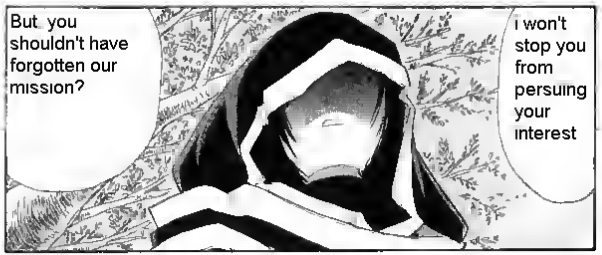
The nearest village, I want Laku to send me off.
Ah.. And.. That...
Ok

I'll go with you to where ever you want to go.
Alright, alright.

So you must get well soon
Really ?
For Real? Really?

... It's the feeling of blood and fle sh...
I know
Aruji,
I need to confirm something.
I need to travel alone now, is it alright?

There was a festival nearby,
I went to see.
Where have you been?



But you shouldn't have forgotten our mission?
I won't stop you from persuing your interest

Though he's my father, we can't live together all of a sudden
Please, father also have his own life.
You are not going to look for him?
Where is he now...

Let's go to the clothes store first!
Wait!
Huh?

Translator's notes for chapter 10, v2.

From page 7B of v2, most likely, Fadane is the wife of someone from Pasil/Bant's family, and then she had a affair with him, and then she had Kukaru. After that, she might have been chased out of her house, which is why Bant gave her a house and some money.
He left the house to go travelling after Kakaru was born, and met his wife at Dangru city, and was happier there, so he never returned again.
Or so I think.
